

The 7th EU-Framework Programme with the main point on Nanotechnology

2007 will start the 7th FP.
It will bring many
innovations for future
EU-projects. The
knowledge is
indispensable for
proposals.

15. December 2006

10.00 Uhr bis ca.16.00 Uhr
at IPF, Konferenzsaal

Leibniz-Institut
für Polymerforschung
Dresden e. V.

On 15th December
you will have the
possibility to inform
yourself about the new
regulations and
discuss with moulded
lecturers.

PROGRAMME

The lectures will be held in german language.

- 10:00 - 10:30 Registration
10:30 - 11:00 Welcome and Foreword
Experience of the IPF (as a public supported research institute) through
participation on EU-FP
Prof. Brigitte Voit (IPF)
11:00 - 11:30 Research Directorate-General in the European Commission;
From the 6th FP towards 7th FP, aims and expectations of the EU in the
frame of the 7th FP
Dr. Bernd Reichert (EU-Commission, Directorate-General G)
11:30 - 12:00 The new office in Brussels from the Leibniz-Association
Dr. Marko Häckel (Leibniz-Association)
12:00 - 12:30 Special Information about the 7th FP (part I):
participations, instruments/funding scheme
Dr. Bernd Reichert (EU-Commission, Directorate-General G)
12:30 - 13:30 Lunch
13:30 - 14:30 Special information about the 7th FP (part II):
specific programmes: Cooperation, Ideas, People, Capacities;
expected calls in 2007
Dr. Bernd Reichert (EU-Commission, Directorate-General G)
14:30 - 15:30 Nanotechnology in the 7th FP in connection with practical examples
Dr. Karin Wey (NKS Nanotechnology)
15:30 - 16:00 discussion

Leibniz
Gemeinschaft

NKS

Nanotechnologie

There is no fee. The event will be supported from the Verein zur Förderung des Leibniz-Institutes für Polymerforschung Dresden e.V. Written registration to Mrs. Schmidt, FPK (schmidt@ipfdd.de). Detailed information and the registration forms will you find on the web page www.ipfdd.de - events.
